2006 SUMMER HORSE DAY CAMP

Beginner to Intermediate Camps (Ages 5 & up)

Students will learn basic riding skills and how to care for a horse, by working in groups and with a professional instructor. This camp provides an opportunity for students to build individual confidence and learn how to work as a team.

- Horses assigned to students based on each student's skills and abilities
- Students will be responsible for the feeding and care of their assigned horses
- Daily lessons in grooming and how to tack a horse
- Daily riding or driving lessons on quiet horses and ponies
- Cattle demonstrations
- Fun horse related games
