

**2 DAY  
ROPING CLINIC**

**SATURDAY JUNE 10 AND SUNDAY JUNE 11**

**BEGINNER TO INTERMEDIATE LEVEL**

**COST IS \$125 (INCLUDES CATTLE FEE)**

**HOSTED BY ENCHANTED ACRES**

**INSTRUCTED BY JEFF LEBBIN**

I will be instructing heading. There will be a major emphasis placed on safety. I will show you how to be safe and how to handle some potentially unsafe situations. We'll start the weekend with ground work, getting the feel of the rope and getting comfortable with throwing a loop. From there we'll move to horseback and roping a mechanical steer, finishing on Sunday roping live cattle from horseback.

Things that will be covered during the weekend include:

- Rope choice and proper "breaking in"
- Fitting the correct equipment to your horse
- Rope handling
- Preparing your horse to be roped from
- Positioning to get that "perfect shot"

We'll start at Noon on Saturday and go until approximately 6:00. Sunday's session will begin at 9:00 and go until approximately 3:00. Plan on joining us for a fun weekend of roping, horsemanship and good fellowship. There will be a weenie roast and bonfire on Saturday evening. Space is limited, so sign up soon.
